NEW BRAND IDENTITY, NEW SERVICES

Familizy unveiled!

To better meet the future expectations of our partner companies and their employees, Servicefamille launches in September its new brand identity: Familizy.

In addition to the unique logo, the "mobile first" website with its sleek design and the new communication tools that will be made available to you very soon, the whole range of services has been revisited.

The "e-assistance" platform becomes "**my-familizy**". The log-in and the content specific to your company remain unchanged. This extranet will be completely renewed in 2021.
